**DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR
CANEY CREEK SUBDIVISION**

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS is made as of the date set forth on the signature page hereof by D. R. Horton, Inc., a Delaware corporation ("Declarant").

Declarant is the owner (or if not the owner, with the written consent of such owner as attached hereto) of the real property described in Exhibit "A," which is attached and incorporated by reference. By this Declaration, Declarant imposes upon the Community mutually beneficial restrictions under a general plan of improvement for the benefit of the owners of each portion of the Community, and establishes a flexible and reasonable procedure for the overall development, administration, maintenance and preservation of the Community. In furtherance of such plan, Declarant has caused or intends to cause the **CANEY CREEK HOMEOWNERS' ASSOCIATION, INC.**, to be formed as a Georgia nonprofit corporation to own, operate, and maintain Common Areas, as defined below, and to administer and enforce the provisions of the Governing Documents.

Declarant hereby declares that all of the property described in Exhibit "A" and any additional property subjected to this Declaration by Supplemental Declaration shall be held, sold, used and conveyed subject to the following easements, restrictions, covenants, and conditions, which shall run with the title to the real property subjected to this Declaration. This Declaration shall be binding upon all parties having any right, title, or interest in any portion of the Community, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner of any portion of the Community.

This document does not and is not intended to create a condominium within the meaning of the Georgia Condominium Act, O.C.G.A. Section 44-3-70, and the Association is not subject to the Georgia Property Owners' Association Act, O.C.G.A. Section 44-3-220.

Article I
DEFINITIONS

The terms in this Declaration and the attached exhibits shall generally be given their natural, commonly accepted definitions except as otherwise specified. Capitalized terms shall be defined as set forth below.

1.1. "Area of Common Responsibility": The Common Area, together with such other areas, if any, for which the Association has or assumes responsibility pursuant to the terms

of this Declaration, any Supplemental Declaration, or other applicable covenants, contract, or agreement.

1.2. "Articles of Incorporation" or "Articles": The Articles of Incorporation of **CANEY CREEK HOMEOWNERS' ASSOCIATION, INC.**, as filed with the Secretary of State of the State of Georgia.

1.3. "Association": **CANEY CREEK HOMEOWNERS' ASSOCIATION, INC.**, a Georgia non-profit corporation, its successors or assigns.

1.4. "Board of Directors" or "Board": The body responsible for administration of the Association, selected as provided in the By-Laws and generally serving the same role as the board of directors under Georgia corporate law.

1.5. "By-Laws": The By-Laws of **CANEY CREEK HOMEOWNERS' ASSOCIATION, INC.**, attached as Exhibit "E," as they may be amended.

1.6. "Common Area": All real and personal property, including easements, which the Association owns, leases or otherwise holds possessory or use rights in for the common use and enjoyment of the Owners.

1.7. "Common Expenses": The actual and estimated expenses incurred, or anticipated to be incurred, by the Association, including any reasonable reserve, as the Board may find necessary and appropriate.

1.8. "Community": The real property described on Exhibit "A," together with such additional property as is subjected to this Declaration in accordance with Article VII.

1.9. "Community-Wide Standard": The standard of conduct, maintenance, or other activity generally prevailing throughout the Community as initially established by Declarant. After Declarant no longer has the right to appoint and remove directors and officers of the Association, such standard may be more specifically determined by the Board of Directors.

1.10. "Declarant": D.R. Horton, Inc., a Delaware corporation, or any successor, successor-in-title, or assign who takes title to any portion of the property described on Exhibits "A" or "B" for the purpose of development and/or sale and who is designated as Declarant in a Recorded instrument executed by the immediately preceding Declarant.

respect to all or a portion of the property. Thereafter, the portion encompassed by such Plat shall contain the number of Units determined as set forth in the preceding paragraph and any portion not Platted shall continue to be treated as set forth in this paragraph.

1.25. "Use Restrictions and Rules": Those use restrictions and rules affecting the Community, which may be adopted, modified, and repealed as set forth in Article X. The initial Use Restrictions and Rules are set forth on Exhibit "C."

Article II

PROPERTY RIGHTS

2.1. Common Area. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Area, which is appurtenant to and shall pass with the title to each Unit, subject to:

- (a) This Declaration and any other applicable covenants;
- (b) Any restrictions or limitations contained in any deed conveying such property to the Association;
- (c) The right of the Board and the membership to adopt rules regulating the use and enjoyment of the Common Area;
- (d) The Board's right to suspend the right of an Owner to use recreational facilities within the Common Area (i) for any period during which any charge against such Owner's Unit remains delinquent, and (ii) for a period not to exceed 30 days for a single violation or for a longer period in the case of any continuing violation, of the Governing Documents;
- (e) The right of the Association, acting through the Board, to dedicate or transfer all or any part of the Common Area subject to the requirements set forth herein;
- (f) The Board's right to impose reasonable membership requirements and charge reasonable use fees for the use of any recreational facilities or other portions of the Common Area;
- (g) The Board's right to permit use of any recreational facilities situated on the Common Area by persons other than Owners, their families, lessees and guests upon payment of such use fees as the Board may establish;
- (h) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred subject to the requirements set forth herein; and

(i) Declarant's right to use such property without payment or charge for such purposes as Declarant, in its sole discretion, deem necessary and proper.

Any Owner may extend his or her right of use and enjoyment to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Unit shall be deemed to have assigned all such rights to the lessee of such Unit.

2.2. No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Area. No Person shall seek any judicial partition unless the portion of the Common Area which is the subject of such partition action has been removed from the provisions of this Declaration. This Article shall not prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring and disposing of real property, which may or may not be subject to this Declaration.

2.3. Condemnation. If any part of the Common Area shall be taken or conveyed in lieu of and under threat of condemnation by any authority having the power of condemnation or eminent domain, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

2.4. Actions Requiring Owner Approval. If either the U.S. Department of Housing and Urban Development ("HUD") or the U.S. Department of Veterans Affairs ("VA") is insuring or guaranteeing the Mortgage on any Unit, then so long as such actions are required by HUD or VA to be approved, the following actions shall require the prior approval of Members representing not less than two-thirds (2/3) of the total votes in the Association and the consent of Declarant, if Declarant owns property described on Exhibit "A" or "B": merger, consolidation, or dissolution of the Association; annexation of additional property other than that described in Exhibit "B;" and dedication, conveyance, or mortgaging of Common Area except as required by Sections 4.2, 4.5 and 4.7. Notwithstanding anything to the contrary in Section 2.3 or this Section, the Association, acting through the Board, may grant easements over the Common Area for installation and maintenance of utilities and drainage facilities and for other purposes not inconsistent with the intended use of the Common Area, without membership approval.

2.5 Use of Recreational Facilities. Declarant may, but shall not be required to, construct recreational facilities on portions of the Common Area such as: tennis courts, a pool, bathhouse, viewing areas, and the like. In the event Declarant constructs such recreational facilities, the following shall apply:

(a) The expense of maintaining, operating, and insuring such facilities shall be a Common Expense of the Association and may result in an increase in the General assessment paid by the Members.

(b) For so long as Declarant owns any property subject to this Declaration or may annex additional property to this Declaration, Declarant shall have the right to grant to persons who are not members of the Association the right to use the recreational facilities. The extent

and duration of nonmember use and the fee to be charged shall be determined solely by Declarant. The Declarant may grant nonmember use rights to Persons as an easement appurtenant to such Person's residential real property so that such use rights shall automatically inure to the benefit of such Persons and their heirs and assigns.

(c) Any use right granted to nonmembers which extends beyond the time period specified in (a) above shall be valid and may not terminate by the Association so long as the terms and conditions imposed upon nonmember use by the Declarant are complied with by the nonmember user.

(d) Declarant hereby reserves unto itself, its successors and assigns, a non-exclusive, perpetual right and privilege, and easement with respect to the Community for the benefit of Declarant, its successors, assigns, and the above nonmember users, without obligation or charge. These rights shall include, without limitation, an easement for travel across all Common Property in the Community. Declarant shall not be responsible for any fees to be paid by such nonmember.

Article III **MEMBERSHIP AND VOTING RIGHTS**

3.1. Function of Association. The Association shall be the entity responsible for management, maintenance, operation, and control of the Area of Common Responsibility. The Association shall be the primary entity responsible for enforcement of the Governing Documents. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of Georgia.

3.2. Membership. Every Owner shall be a Member of the Association. There shall be only one membership per Unit. If a Unit is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 3.3 and in the By-Laws, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner, which is not a natural person, may be exercised by any officer, director, partner, or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Association's Secretary.

3.3. Voting. Members shall be entitled to one vote for each Unit owned. When more than one Person holds an ownership interest in any Unit, the vote for such Unit shall be exercised as those Owners themselves determine and advise the Association's Secretary prior to any meeting. The Unit's vote shall be suspended in the event more than one Person seeks to exercise it.

Article IV
RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall manage and maintain the Common Area and all improvements thereon in a manner consistent with the Community-Wide Standard. The Board is specifically authorized, but not obligated, to retain or employ professional management to assist in carrying out the Association's responsibilities under the Governing Documents, the cost of which shall be a Common Expense.

4.2. Personal Property and Real Property for Common Use. The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property. Declarant and its designees may convey to the Association improved or unimproved real estate, or interests in real estate, located within the properties described in Exhibits "A" or "B," personal property, and leasehold and other property interests. Such property shall be accepted by the Association "as is" and thereafter shall be maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed or other instrument transferring such property to the Association. Declarant shall not be required to make any improvements to the property conveyed to the Association, including, without limitation, dredging or removing silt from lakes or ponds. Upon written request of Declarant, the Association shall reconvey to Declarant any unimproved portions of the Community originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make adjustments in property lines.

4.3. Enforcement. The Association may impose sanctions for violations of the Governing Documents in accordance with procedures set forth in the By-Laws, including reasonable monetary fines and suspension of the right to vote and to use any recreational facilities within the Common Area. In addition, in accordance with of the By-Laws, the Association may exercise self-help to cure violations and may suspend any services it provides to the Unit of any Owner who is more than 30 days delinquent in paying any assessment or other charge due to the Association. All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of the Governing Documents or Association rules, if the Association prevails it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action. So long as the Declarant owns any property described on Exhibit "A" or "B", the Declarant may but shall not be obligated to, take any enforcement action, or exercise any right on behalf of or independent from the Association.

The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county and city ordinances, if applicable, and local governments may enforce their ordinances within the Community.

4.4. Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in the Governing Documents, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.5. Governmental Interests. For so long as Declarant owns any property described on Exhibits "A" or "B," Declarant may designate sites within the Community for fire, police, and utility facilities; public schools and parks; and other public or quasi-public facilities. The sites may include Common Areas, in which case the Association shall take whatever action is required with respect to such site to permit such use, including conveyance of the site, if so directed by Declarant.

4.6. Indemnification.

(a) The Association shall indemnify every officer, director, and committee member, including members of the committees established under Article IX, against all damages and expenses, including attorneys fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member, except that such obligation to indemnify shall be limited to those actions for which liability is limited under this Section and Georgia law.

(b) The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on the Association's behalf (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

(c) Decisions whether to institute litigation are no different from other decisions directors make. There is no independent legal obligation to bring a civil action against another party. In deciding whether to bring a civil action against another party, a director is protected by the business judgment rule as explained in Section 3.25 of the By-Laws.

4.7. Dedication of Common Areas. The Association, acting through the Board, may dedicate portions of the Common Areas to Forsyth County, Georgia, or to any other local, state, or federal governmental or quasi-governmental entity.

4.8. Safety and Security. Each Owner and occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property in CANEY CREEK. The Association may, but shall not be obligated to, maintain or support certain activities within the Community designed to enhance the level of safety or security which each person provides for himself or herself and his or her property. Neither the Association nor Declarant shall in any way be considered insurers or guarantors of safety or security within the Community, nor shall either be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

No representation or warranty is made that any security system or measures, including any mechanism or system for limiting access to the Community, can not be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing its tenants and all occupants of its Unit that the Association, its Board of Directors and committees, and Declarant are not insurers or guarantors of safety or security and that each Person within the Community assumes all risks of personal injury and loss or damage to property, including Units and the contents of Units, resulting from acts of third parties.

Article V MAINTENANCE

5.1. Association's Responsibility.

(a) The Association shall maintain and keep in good repair the Area of Common Responsibility, which shall include, but need not be limited to:

(i) the Common Area, including any recreational amenities, open space, and all landscaping, signage, lighting, irrigation systems and equipment, fences, walls, and other structures and improvements, sidewalks, paths, and trails, situated upon the Common Area;

(ii) landscaping, signage, and sidewalks within public rights-of-way within or adjacent to the Community, except to the extent that such responsibility is assumed by a governmental or quasi-governmental body or public utility;

(iii) any lakes, ponds, streams, and/or wetlands located within the Community and all drainage systems, storm water retention, or detention systems for the Community to the

extent maintenance is required in the Board's opinion and such area is not to be maintained by a governmental entity or third party;

(iv) such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association; and

(v) any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from Declarant to the Association and to remain a part of the Area of Common Responsibility and to be maintained by the Association unless and until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(b) There are hereby reserved to the Association easements over the Community as necessary to enable the Association to fulfill its maintenance responsibilities under this Declaration. The Association shall maintain the facilities and improvements within the Area of Common Responsibility in continuous operation, except for any periods necessary, as determined in the Board's sole discretion, to perform required maintenance or repairs, unless Members representing 75% of the total votes in the Association and Declarant, so long as Declarant owns any property within the Community, agree in writing to discontinue such operation.

Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means except with Declarant's prior written approval as long as Declarant owns any property described on Exhibits "A" or "B" of this Declaration.

(c) Except as otherwise provided herein, all costs associated with maintenance, repair, and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Units as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to this Declaration, other recorded covenants, or agreements with the owner(s) thereof.

5.2. Owner's Responsibility. Each Owner shall maintain his or her Unit and all structures, parking areas, and other improvements comprising the Unit in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by the Association or assigned to the Association pursuant to this Declaration, any Supplemental Declaration, or other covenants applicable to such Unit. In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and

levy a Specific Assessment. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.3. Standard of Performance. Unless otherwise specifically provided herein or in other instruments creating and assigning such maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all applicable covenants. The Association shall not be liable for any damage or injury occurring on, or arising out of the condition of, property which it does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

Article VI

INSURANCE AND CASUALTY LOSSES

6.1. Association Insurance.

(a) Required Coverages. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance covering the full replacement cost of all insurable improvements from "risks of direct physical loss" for the Common Area and on other portions of the Area of Common Responsibility to the extent that the Association has responsibility for maintenance, repair, and/or replacement in the event of a casualty, regardless of ownership;

(ii) Commercial general liability insurance on the Area of Common Responsibility insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf. If generally available at reasonable cost, the commercial general liability coverage (including primary and umbrella coverage) shall have a limit of at least \$500,000.00 per occurrence with respect to bodily injury, and property damage; provided, should additional coverage and higher limits be available at reasonable cost which a reasonably prudent person would obtain, the Association shall obtain additional coverages or limits;

(iii) Such other insurance such as workers compensation, directors and officers liability coverage, and fidelity insurance as the Board, in the exercise of its business judgment, determines advisable.

(b) Policy Requirements. The Association shall arrange for a periodic review of the sufficiency of insurance coverage. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon written request, to any Member. The

policies may contain a reasonable deductible. In the event of an insured loss, the deductible shall be treated as a Common Expense; provided, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may levy a Specific Assessment of the full amount of such deductible against such Owner(s) and their Units pursuant to Section 8.6.

The Board is authorized to obtain the insurance policies coverages specified in this Declaration through the Declarant and reimburse the Declarant for the cost thereof. Insurance obtained by or through the Declarant shall satisfy all insurance responsibilities of the Board.

All insurance coverage obtained by the Board shall:

(i) be written with a company authorized to do business in the State of Georgia which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(ii) be written in the name of the Association as trustee for the Owners, who shall be insured under such policy to the extent of the Owners' interest;

(iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;

(iv) contain an inflation guard endorsement; and

(v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide:

(vi) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, and the Owners and their tenants, servants, agents, and guests;

(vii) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(viii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(ix) an endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal; and

(x) a cross liability provision.

(c) Damage and Destruction. Immediately after damage or destruction to all or any part of the Community covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file and adjust all insurance claims. Any damage to or destruction of the improvements on the Common Area shall be repaired or reconstructed unless the Members representing at least 67% of the total votes in the Association, and Declarant, so long as Declarant owns property described in Exhibit "A" or "B," decide not to repair or reconstruct. If the Association determines that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive, landscaped condition consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Unit.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, without a vote of the Members, levy a Special Assessment to cover the shortfall.

6.2. Owners' Insurance. Each Owner shall be responsible for insuring his or her own Unit and any property maintained by the Owner or the occupants of its Unit, their respective family members, guests, or invitees, within the Unit or elsewhere in the Community.

In the event of damage or destruction of structures on or comprising a Unit, the Owner shall, within 180 days thereafter, complete repair or reconstruction of the damaged structures in a manner consistent with the original construction or such other plans and specification as are approved in accordance with Article IX or, in the alternative, the Owners shall clear the Unit of all debris and ruins and thereafter maintain the Unit in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs not covered by insurance proceeds.

Neither the Association nor Declarant shall bear any responsibility for the maintenance or safekeeping of personal property of any Owner or occupant of a Unit, their family, guests, or invitees, nor shall the Association or Declarant be held liable for the conditions of, or any loss or damage to, any such personal property except to the extent directly attributable to the reckless acts or willful misconduct of the Association, Declarant, or their respective agents or employees.

Article VII
ANNEXATION AND WITHDRAWAL OF PROPERTY

7.1. Annexation Without Approval of Membership. Until all property described on Exhibit "B" has been subjected to this Declaration or ten years after the Recording of this Declaration, whichever is earlier, Declarant may from time to time unilaterally subject to the provisions of this Declaration all or any portion of the real property described in Exhibit "B." Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

Such annexation shall be accomplished by Recording a Supplemental Declaration describing the property being annexed. Such Supplemental Declaration shall not require the consent of Members, but shall require the consent of the owner of such property, if other than Declarant. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. Nothing in this Declaration shall be construed to require the Declarant to annex or develop any of the property set forth in Exhibit "B".

7.2. Annexation With Approval of Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Members representing at least two-thirds (2/3) of the total votes in the Association present in person or by proxy at a meeting duly called for such purpose, and the consent of Declarant so long as Declarant owns property subject to this Declaration or which may become subject to this Declaration in accordance with Section 7.1. Such annexation shall be accomplished by Recording a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the annexed property, and by Declarant, if Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

7.3. Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Section 7.1, for the purpose of removing any portion of the Community from the coverage of this Declaration, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Such amendment shall not require the consent of any Person other than the Owner of the property to be withdrawn, if not Declarant.

7.4. Additional Covenants and Easements. Declarant may subject any portion of the Community to additional covenants and easements by Recording a Supplemental Declaration, concurrent with or after the annexation of the subject property, setting forth such additional covenants and easements. Any such Supplemental Declaration shall require the written consent of the owner(s) of the subject property, if other than Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this

Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

Article VIII
ASSESSMENTS

8.1. Creation of Assessments.

(a) Types. There are hereby created, and the Association is authorized to levy three types of assessments: (a) General Assessments as described in Section 8.3; (b) Special Assessments as described in Section 8.5; and (c) Specific Assessments as described in Section 8.6. Each Owner, by accepting a deed or entering into a Recorded contract of sale for any portion of the Community, is deemed to covenant and agree to pay these assessments.

(b) Personal Obligation and Lien. All assessments, together with interest (computed from the due date of such assessment at a rate of 10% per annum or such higher rate as the Board may establish, subject to the limitations of Georgia law), late charges established by Board resolution, costs, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Unit and also shall be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose. Upon a transfer of title to a Unit, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Unit by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a certificate in writing signed by an Association officer setting forth whether such assessment has been paid. Such certificate shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of assessments at closing of the transfer of title to a Unit and impose special requirements for Owners with a history of delinquent payment. The General Assessment shall be an annual assessment due and payable in advance on the first day of each fiscal year; provided, the Board may by resolution permit payment in two or more installments. If any Owner is delinquent in paying any assessments or other charges levied on his Unit, the Board may accelerate the installments and require all of the General Assessment to be paid in full immediately.

No Owner may exempt himself from liability for assessments by non-use of Common Area, abandonment of his Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or

Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with Declarant or other entities for payment of Common Expenses.

8.2. Declarant's Obligation for Assessments. Declarant shall not be liable for payment of assessments on its unsold Units. However, Declarant may, but shall not be obligated to, annually elect to contribute to the Association the difference between the amount of assessments levied on all other Units subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: a voluntary contribution; an advance against future assessments (if any); or a loan by Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Community.

Any Subsidy shall be disclosed as a line item in the Common Expense budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years.

8.3. Computation of General Assessments. At least 30 days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year. General Assessments shall be fixed at a uniform rate for all Units subject to assessment under Section 8.8. In determining the total funds to be generated through the levy of General Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years and any assessment income expected to be generated from any additional Units.

The budget and notice of the amount of the General Assessment for the following years shall be available to each Owner at least thirty (30) days prior to the assessment or installment due date. Such budget and assessment shall become effective unless disapproved at a meeting by at least 67% of the Members and by Declarant, so long as Declarant owns any property described on Exhibits "A" or "B." There shall be no obligation to call such a meeting unless a petition for a special meeting is presented to the Board within 10 days of the delivery of the notice of assessment.

If a budget is not adopted for any year, then until such time as a budget is adopted, the budget in effect for the immediately preceding year shall continue for the current year.

8.4. Reserve Budget and Capital Contribution.

(a) The Board may prepare a reserve budget which takes into account the number and nature of replaceable assets within the Area of Common Responsibility, the expected

life of each asset, and the expected repair or replacement cost. If established, the Board shall include as a line item in the Common Expense budget capital contribution in an amount sufficient to permit meeting the Association's projected needs over the budget period. There shall be no obligation to establish a reserve budget and make such assessments. If reserves are not established or are insufficient for the repair or replacement of any capital asset, Special Assessments may be levied.

(b) Upon acquisition of record title to a Unit by the first Owner other than Declarant or a builder, a contribution of \$ **495.00** ("Initiation Fee") shall be made by or on behalf of the purchaser to the Association as set forth below. The Initiation Fee shall be in addition to, not in lieu of, any annual or special assessments. The Initiation Fee shall be payable at Closing, shall not be prorated, and the Association shall have all rights under the Declaration for enforcement of assessments if it is not paid. The Initiation Fee shall be deposited into an account of the Association and disbursed from that account (a) \$ **395.00** for operating expenses and costs of the Association in accordance with the Declaration and Bylaws, as amended, and (b) \$ **100.00** of the Initiation Fee shall be held by the Association as a long term "Maintenance Reserve" to be disbursed by the Association for maintenance of any property which the Association is required or permitted to maintain in its sole discretion. The Initiation Fee referred to in this paragraph is payable only one time, and will not be charged subsequent purchasers of the Unit.

8.5. Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Any Special Assessment which would exceed the amount of the General Assessment in any fiscal year shall require the affirmative vote or written consent of a majority of the total votes in the Association, and the affirmative vote or written consent of Declarant, so long as Declarant owns any property described on Exhibit "A" or "B." Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved. Special Assessments shall be levied equally on all Units, subject to assessment under Section 8.8.

8.6. Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Unit or Units as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Unit or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, landscape maintenance or pest control), which assessments may be levied in advance of the provision of the requested benefit, item, or service as a deposit against charges to be incurred by the Owner; and

(b) to cover costs incurred in bringing the Unit into compliance with the terms of this Declaration, any applicable Supplemental Declaration, the By-Laws, or rules or costs incurred as a consequence of the conduct of the Owner or occupants of the Unit, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Unit

Owner prior written notice and an opportunity for a hearing, in accordance with Section 3.24 of the By-Laws before levying any Specific Assessment under this subsection (b).

8.7. Lien for Assessments. The Association shall have a lien against each Unit to secure payment of delinquent assessments, as well as interest, late charges, costs of collection, and attorneys fees. Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any Recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure in the same manner as mortgages are foreclosed under Georgia law.

The Association may bid for the Unit at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Unit. While the Association owns a Unit following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged the foreclosed Unit had it not been acquired by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Unit shall not affect the assessment lien or relieve such Unit from the lien for any subsequent assessments. However, the sale or transfer of any Unit pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A Mortgagee or other purchaser of a Unit who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Unit due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Units subject to assessment under Section 8.8, including such acquirer, its successors and assigns.

8.8. Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Unit on the first day of the month following the transfer or conveyance of an improved Unit with a certificate of occupancy to a Person for residential use: (a) the month in which the Board establishes the Common Expense budget and levies assessments, or (b) the date upon which the Unit is conveyed or transferred from Declarant to an Owner for residential occupancy, whichever is later. The first annual General Assessment levied on each Unit shall be adjusted according to the number of months remaining in the fiscal year at the time assessments commence on the Unit.

8.9. Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

8.10. Exempt Property. The following property shall be exempt from payment of assessments:

(a) All Common Area and such portions of the property owned by Declarant as are included in the Area of Common Responsibility pursuant to Section 5.1; and

(b) Any property dedicated to and accepted by any governmental authority or public utility.

Article IX

ARCHITECTURAL STANDARDS

9.1. General. No structure shall be placed, erected, or installed upon any Unit, and no improvements (including staking, clearing, other site work, exterior alteration of existing improvements, painting or modifying fences, and planting or removal of landscaping materials) shall take place except in compliance with this Article and approval of the appropriate entity under Section 9.2. Notwithstanding this, the Board may, by resolution, exempt certain activities from the application and approval requirements of this Article provided such activities are undertaken in strict compliance with the requirements of such resolution. Any Owner may remodel, paint, or redecorate the interior of structures on his Unit without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Unit visible from outside the structures on the Unit shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of Declarant or the Association.

9.2. Architectural Review. So long as Declarant owns any property described in Exhibit "A" or "B" for development or sale, Declarant shall have exclusive authority to administer and enforce architectural controls under this Article and to review and act upon all applications for construction and modifications within the Community. Declarant's rights under this Article IX may be assigned in whole or in part.

Upon the expiration or assignment of Declarant's authority to control architectural review for all or a portion of the Community, the Board shall create and appoint an Architectural Review Committee ("ARC"). The ARC shall consist of at least three, but not more than five, persons who shall serve and may be removed in the Board's discretion; provided, as long as Declarant owns any property described on Exhibits "A" or "B," it shall be entitled to appoint one member. Until Declarant's authority expires, the ARC shall have no rights or authority except as Declarant may assign. Upon termination of Declarant's authority over architectural review, the ARC shall have authority over modifications, additions, or alterations made on or to existing structures on Units and the adjacent open space. At any time during the review process, so long as it owns any property described in Exhibit "A" or "B," Declarant shall have the right to veto any action taken by the ARC.

For the purposes of this Declaration, the entity having jurisdiction in a particular case shall be referred to as the "Reviewer." Reviewers of applications need not be Members. Reviewers may delegate certain rights and responsibilities to qualified individuals to act on its behalf, and their compensation, if any, shall be established from time to time by Declarant or the Board, as applicable. Fees for review of applications under this Article may be required to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers, or other professionals.

9.3. Guidelines and Procedures.

(a) Design Guidelines. Declarant may prepare architectural standards or design guidelines ("Design Guidelines") for the Community. The Design Guidelines are not the exclusive basis for decisions but they may provide guidance on specific matters. Declarant shall have sole and full authority to amend the Design Guidelines as long as it owns any property described on Exhibit "A" or "B." Thereafter, the ARC shall have the authority to amend the Design Guidelines with the consent of the Board.

(b) Procedures. Prior to commencing any activity subject to review, an Owner shall submit an application for approval of the proposed work to the Reviewer. Such application shall be in the form required by the Reviewer and shall include plans and specifications ("Plans") showing site layout, structural design, exterior elevations, exterior materials and colors, signs, landscaping, drainage, lighting, irrigation system, utility facilities layout, and other features of proposed construction, as applicable. Before the Owner may begin the proposed activity, the application must be approved in accordance with the procedures described below.

In reviewing each submission, the Reviewer may consider whatever factors it deems relevant, including harmony of external design with surrounding structures and environment and location in relation to surrounding structures, topography, and finish grade elevation. Decisions of the Reviewer may be based on purely aesthetic considerations. Each Owner acknowledges that opinions on aesthetic matters are purely subjective and may vary over time and among different Persons. The Reviewer may require relocation of native plants within the construction site, screening, and landscaping as a condition of approval of any submission.

The Reviewer shall respond in writing to an application within 60 days at an address specified by such party at the time of submission. The response may (i) approve the application, (ii) approve a portion of, segments or features of the Plans, and disapprove other portions, or (iii) disapprove an application which is deemed to be inconsistent or not in conformity with this Declaration and/or the Design Guidelines. The Reviewer may, but shall not be obligated to, set forth the reasons for such finding, and it may make suggestions to cure objections to an application. In the event the Reviewer fails to respond, approval shall be deemed to have been given; provided, no construction which is inconsistent with the Governing Documents shall be deemed approved unless a written variance has been issued. Notice shall be deemed to have been given at the time the envelope containing the response is deposited with the U. S. Postal Service. Personal delivery of such written notice shall, however, be sufficient and shall be deemed to have been given at the time of delivery to the submitting party.

If construction does not commence on a project which has been approved within 180 days of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to reapply for approval. If construction is not completed on a project for which plans have been approved within a period set forth in the Design Guidelines or in the approval, such approval shall be deemed withdrawn, and such incomplete construction shall be deemed to be in violation of this Article.

9.4. No Waiver of Future Approvals. Each Owner acknowledges that the Reviewer will change from time to time and that interpretation, application, and enforcement of the Design Guidelines may vary accordingly. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

9.5. Variance. The Reviewer may authorize variances in writing from its guidelines and procedures, but only: (a) in accordance with duly adopted rules and regulations, (b) when unique circumstances dictate, such as unusual topography, natural obstructions, hardship, or aesthetic or environmental considerations, and (c) when construction in accordance with the variance would be consistent with the purposes of the Declaration and compatible with existing and anticipated uses of adjoining properties. For purposes of this Section, the inability to obtain, or the terms of, any governmental approval, or the terms of any financing shall not be considered a hardship warranting a variance.

9.6. Limitation of Liability. The requirements and procedures established by this Article are intended to enhance the overall aesthetics of the Community and shall not create any duty to any Person. A Reviewer shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring the appropriateness of soils, drainage, and general site work. Neither Declarant, the Association, the Board, any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction on or modifications to any Unit. In all matters, the Association shall defend and indemnify a reviewing body and their members.

9.7. Enforcement. Any structure or improvement placed or made in violation of this Article or the Design Guidelines shall be deemed to be nonconforming, unless a variance has been granted. Upon written request from the Board or Declarant, Owners shall, at their own cost and expense, remove such structure or improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, Declarant or the Board shall have the right to Record a notice of violation and to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. All costs, together with interest at the maximum rate then

allowed by law, may be assessed against the Owner and Unit and collected as a Specific Assessment.

Unless otherwise specified in writing by a Reviewer granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Unit, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Unit and an opportunity to be heard in accordance with the By-Laws, to enter upon the Unit and remove or complete any incomplete work and to assess all costs incurred against the Unit and the Owner thereof as a Specific Assessment.

Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Design Guidelines may be excluded by the Board from the Community, subject to the notice and hearing procedures contained in the By-Laws. In such event, neither the Association, its officers, or directors shall be held liable to any Person for exercising the rights granted by this paragraph.

In addition to the foregoing, the Association and Declarant shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the reviewing bodies.

Article X

USE RESTRICTIONS AND RULES

10.1. Plan of Development; Applicability; Effect. Declarant has established a general plan of development for the Community in order to enhance all Owners' collective interests, subject to the Board's and the Members' ability to respond to changes in circumstances, conditions, and desires within the Community. The initial Use Restrictions and Rules attached as Exhibit "C," establish affirmative and negative covenants, easements, and restrictions on the land subject to this Declaration.

All provisions of this Declaration and any Association rules shall apply to all Owners, occupants, tenants, guests, and invitees of any Unit. Any lease on any Unit shall provide that the lessee and all occupants of the leased Unit shall be bound by the terms of the Governing Documents.

10.2. Authority to Promulgate Use Restrictions and Rules. The initial Use Restrictions and Rules applicable to all of the Community are attached as Exhibit "C" to this Declaration and may be modified in whole or in part, repealed, or expanded as follows:

(a) Subject to the Board's duty to exercise business judgment and reasonableness on behalf of the Association and its Members, the Board may adopt rules which modify, cancel, limit, create exceptions to, or expand the initial Use Restrictions and Rules. The Board shall

send notice by mail to all Owners concerning any such proposed action at least five business days prior to the Board meeting at which such action is to be considered. Members shall have a reasonable opportunity to be heard at a Board meeting prior to such action being taken.

Such action shall become effective unless disapproved at a meeting by Members representing at least 51% of the total Association votes and by Declarant, so long as Declarant owns any property described on Exhibit "A" or "B." The Board shall have no obligation to call a meeting of the Members to consider disapproval except upon petition of the Members as required for special meetings in the By-Laws.

(b) Alternatively, the Members, at a meeting duly called for such purpose as provided in the By-Laws, may adopt rules which modify, cancel, limit, create exceptions to, or expand the use restrictions and rules previously adopted by a vote of Members representing at least 51% of the total Class "A" votes in the Association and the approval of Declarant, so long as Declarant owns any property described on Exhibit "A" or "B."

(c) At least 30 days prior to the effective date of any action taken under subsections (a) or (b) of this Section, the Board shall send a copy of the newly-adopted rule to each Owner. The Association shall provide, without cost, a copy of the new Use Restrictions and Rules then in effect to any requesting Member or Mortgagee.

(d) The foregoing procedures shall not apply to the enactment and enforcement of administrative rules and regulations governing use of the Common Area unless the Board chooses in its discretion to submit to such procedures. Examples of such administrative rules and regulations shall include, but not be limited to, hours of operation, speed limits, or landscaping on the Common Area. The Board shall exercise business judgment in the enactment, amendment, and enforcement of such administrative rules and regulations.

(e) The foregoing procedures shall not restrict amendments to this Declaration or the Design Guidelines enacted under Section 9.3.

10.3. Owners' Acknowledgment. All Owners and occupants of Units are given notice that use of their Unit or Units is limited by the Use Restrictions and Rules as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into and Recording a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Unit can be affected, that the Use Restrictions and Rules may change from time to time, and that such changes may not be reflected in a Recorded instrument.

10.4. Rights of Owners. Except as may be specifically set forth in this Declaration (either initially or by amendment), neither the Board nor the Members may adopt any rule in violation of the following provisions:

(a) Similar Treatment. Similarly situated Owners and occupants shall be treated similarly.

(b) Signs. No sign of any kind shall be erected by an Owner or Occupant within the Community without the prior written consent of the Architectural Review Committee. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. A For Sale sign and security signs consistent with the Community-Wide Standard and any signs required by legal proceedings may be erected upon any Unit. The provisions of this Section shall not apply to any Person holding a Mortgage who becomes the Owner of any Unit as purchaser at a judicial or foreclosure sale conducted with respect to a first Mortgage or as transferee pursuant to any proceeding in lieu thereof.

(c) Holiday Displays. The Board may adopt rules governing or prohibiting the display of religious and holiday signs, symbols, and decorations outside structures, and may adopt time, place, and manner restrictions for the purpose of minimizing damage and disturbance to other Owners and occupants.

(d) Household Composition. No rule shall interfere with the freedom of occupants of Units to determine the composition of their households, except that the Association shall have the power to require that all occupants be members of a single housekeeping unit and to limit the total number of occupants permitted in each Unit on the basis of the size and facilities of the Unit and its fair use of the Common Area.

(e) Activities Within Dwellings. No rule shall interfere with the activities carried on within the confines of dwellings, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of others, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, or that create an unreasonable source of annoyance.

(f) Alienation. No rule shall prohibit leasing or transfer of any Unit, or require consent of the Association or Board for leasing or transfer of any Unit; provided, the Association or the Board may require a minimum lease term of up to 12 months. The Association may require that Owners use lease forms approved by the Association, and it may impose a reasonable fee on the lease or transfer of any Unit based on the costs to the Association of administering that lease or transfer.

(g) Reasonable Rights to Develop. No rule or action by the Association or Board shall unreasonably impede Declarant's right to develop the Community.

(h) Abridging Existing Rights. If any rule would otherwise require Owners or occupants of Units to dispose of personal property which they maintained in or on the Unit prior to the effective date of such rule, or to vacate a Unit in which they resided prior to the effective date of such rule, and such property was maintained or such occupancy was in compliance with this Declaration and all rules previously in force, such rule shall not apply to any such Owners without their written consent unless the rule was in effect at the time such Owners or occupants acquired their interest in the Unit.

(i) Activities Incidental to Construction. No rule or action by the Association shall impede Declarant or builders authorized by Declarant from maintaining upon Common Area and Units which they own any facilities necessary or incidental to construction or sale of Units. By way of example and not limitation, no rule shall prohibit Declarant or builders authorized by Declarant from installing signs, maintaining temporary structures for use during construction of a Unit, or from using any dwelling on a Unit as a sales office.

The limitations in this Section 10.4 shall apply only to Use Restrictions and Rules adopted or amended in accordance with Section 10.2; they shall not apply to amendments to this Declaration adopted in accordance with Section 15.2.

Article XI **EASEMENTS**

11.1. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment, and for maintenance and use of any permitted encroachment, between each Unit and any adjacent Common Area and between adjacent Units due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

11.2. Easements for Utilities, Etc.

(a) There are hereby reserved to Declarant, the Association, and the designees of each (which may include, without limitation, any governmental or quasi-governmental entity and any utility company) perpetual non-exclusive easements upon, across, over, and under all of the Community (but not through a structure) to the extent reasonably necessary for the purpose of monitoring, replacing, repairing, maintaining, and operating cable television systems, master television antenna systems, and other devices for sending or receiving data and/or other electronic signals; security and similar systems; roads, walkways, pathways, and trails; wetlands and drainage systems; street lights and signage; and all utilities, including, but not limited to, water, sewers, telephone, gas, and electricity, and utility meters; and for the purpose of installing any of the foregoing on property which Declarant or the Association owns or within easements designated for such purposes on Recorded plats of the Community.

Declarant specifically grants to the local water supplier, electric company, and natural gas supplier easements across the Community for ingress, egress, installation, reading, replacing, repairing, and maintaining utility lines, meters, and boxes, as applicable.

(b) There is hereby reserved to Declarant, so long as Declarant owns any property described on Exhibit "A" or "B" of this Declaration, the non-exclusive right and power to grant such specific easements as may be necessary, in the sole discretion of Declarant, in connection with the orderly development of any property described on Exhibit "A" or "B." To the extent reasonably possible, such easements over Units shall be limited to setback areas adjacent to the perimeter boundary of each Unit.

(c) Any damage to a Unit resulting from the exercise of the easements described in subsections (a) and (b) of this Section shall promptly be repaired by, and at the expense of, the Person exercising the easement. The exercise of these easements shall not extend to permitting entry into the structures on any Unit, nor shall it unreasonably interfere with the use of any Unit and, except in an emergency, entry onto any Unit shall be made only after reasonable notice to the Owner or occupant.

11.3. Easements for Drainage. Declarant hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water across all Community property for the purpose of altering drainage and water flow. This right shall include, but is not limited to, altering swales, installing drains, drainage ditches, pipes, inlets, headwalls, and altering channeling, or piping waterflow across any Unit or any property in the Community. Rights exercised pursuant to this reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

11.4. Easements to Serve Additional Property. Declarant hereby reserves for itself and its duly authorized agents, representatives, employees, successors, assigns, licensees, and mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of the property described in Exhibit "B," whether or not such property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for connecting and installing utilities on or through such property. Declarant agrees that it and its successors or assigns shall be responsible for any damage caused to the Common Area as a result of the exercise of this easement.

11.5. Right of Entry. The Association shall have the right, but not the obligation, to enter upon any Unit for emergency, security, and safety reasons, to perform maintenance pursuant to Article V hereof, and to inspect for the purpose of ensuring compliance with the Governing Documents. Such right may be exercised by any member of the Board, the Association's officers, agents, employees, and managers, and all police officers, firefighters, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Unit to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Board.

11.6. Landscaping and Signage Easements. Declarant and the Association shall have perpetual, non-exclusive easements exercisable by their respective employees, agents, and contractors over those portions of the Community and the Units designated as "Landscaping and Signage Easements" (or similar label) on the Recorded subdivision Plats relating to the Community for the purpose of installation, maintenance, repair, and replacement of lot bollards, neighborhood entrance monuments, signs, fences, lighting, irrigation systems, and landscaping within the easement area. The Declarant and Association shall have a blanket easement to pump water from any water bodies within the Community for irrigation purposes, subject to any applicable laws or regulations. No fences, structures, driveways, plantings, swings, wood piles, dog runs, or any other objects, temporary or permanent, shall be permitted in such areas without the Association's prior written approval, other than those initially installed by Declarant. Nothing herein shall obligate Declarant or the Association to exercise such easements or to construct or install any of the foregoing within any Landscaping and Signage Easement.

11.7. Easement to Inspect and Right to Correct. Declarant reserves for itself and others it may designate the right to inspect, monitor, test, redesign, and correct any structure, improvement, or condition which may exist on any portion of the property within the Community, including Units, and a perpetual, nonexclusive easement of access throughout the Community to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner and no entry into a dwelling shall be permitted without the consent of the Owner. The Person exercising this easement shall promptly repair, at such Person's own expense, any damage resulting from such exercise.

11.8 Construction and Sale Easement. Notwithstanding any provisions contained in the Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration terminates and thereafter so long as Declarant owns any property in the Community for development or sale, Declarant reserves an easement across the Community for Declarant and any builder or developer approved by Declarant to maintain and carry on development activities, upon such portion of the Community as Declarant may reasonably deem necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient, or incidental to the development, construction, and sales activities related to property within or near the Community. This easement shall include, without limitation:

(a) The right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on, or in any portion of the Community as well as any Unit in the Community,

(b) The right to tie into any portion of the Community with driveways, parking areas and walkways;

(c) The right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services;

(d) The right (but not the obligation) to construct recreational facilities on Common Area;

(e) The right to carry on sales and promotional activities in the Community;

(f) The right to place direction and marketing signs on any portion of the Community, including any Unit or Common Area;

(g) The right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities; and

(h) Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Community as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

11.9 Fence Easement. Declarant hereby reserves an easement across any Unit which borders upon or contains a portion of any water facility, detention pond, or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance, or plan approval requirement.

Article XII

MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Units in the Community.

12.1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Unit to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of 60 days, or any other violation of the Declaration or By-Laws relating to such Unit or the Owner or Occupant which is not cured within 60 days; or

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

12.2. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

12.3. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

12.4. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association's request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

12.5. HUD/VA Approval. As long as Declarant has the right to appoint and remove Association officers and directors, the following actions shall require the prior approval of the U.S. Department of Housing and Urban Development or the U.S. Department of Veterans Affairs, if either agency is insuring or guaranteeing the Mortgage on any Unit; Mortgage, consolidation, or dissolution of the Association; annexation of property other than that described on Exhibit "B;" dedication, conveyance, or mortgaging of Common Area; or material amendment of this Declaration or the By-Laws.

Article XIII **DECLARANT'S RIGHTS**

Any or all of the special rights and obligations of Declarant set forth in this Declaration or the By-Laws may be transferred or assigned in whole or in part to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the By-Laws. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and duly Recorded.

Declarant and builders authorized by Declarant may maintain and carry on without fee or charge upon portions of the Common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of Units, including, but not limited to, business offices, signs, model homes, and sales offices. Declarant and authorized builders shall have easements for access to and use of such facilities. Declarant shall have the right and an easement to maintain signs in the Area of Common Responsibility for ten (10) years from recording this Declaration.

No Person shall record any declaration of covenants, conditions, and restrictions, or declaration of condominium or similar instrument affecting any portion of the Community without Declarant's review and written consent. Any instrument Recorded without such consent shall be void and of no force and effect unless subsequently approved by written consent signed by Declarant and Recorded.

No Person shall retain an expert for the purpose of inspecting the design or construction of any structures or improvements within the Community in connection with or in anticipation of any potential or pending claim, demand, or litigation involving such design or construction unless Declarant and any builder involved in the design or construction have been first notified in writing and given an opportunity to meet with the owner of the property to discuss the owner's concerns and conduct their own inspection.

Notwithstanding any contrary provision of this Declaration, no amendment to or modification of any Use Restrictions and Rules, architectural standard, or Design Guideline made shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns any portion of the Community primarily for development and sale.

Article XIV

DISPUTE RESOLUTION AND LIMITATION ON LITIGATION

14.1. Agreement to Avoid Litigation. Declarant, the Association, its officers, directors, and committee members, all Persons subject to this Declaration, any builder, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Community, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that those claims, grievances or disputes described in Section 14.2 ("Claims") shall be resolved using the procedures set forth in Section 14.3 in lieu of filing suit in any court.

14.2. Claims. Unless specifically exempted below, all claims, grievances, or disputes arising out of or relating to the interpretation, application, or enforcement of the Governing Documents, or the rights, obligations, and duties of any Bound Party under the Governing Documents or relating to the design or construction of improvements on the Community shall be subject to the provisions of Section 14.3.

Notwithstanding the above, unless all parties otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Section 14.3:

(a) any suit by the Association against any Bound Party to enforce the provisions of Article VIII (Assessments);

(b) any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Article IX (Architectural Standards) and Article X (Use Restrictions and Rules);

(c) any suit between Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents;

(d) any suit in which any indispensable party is not a Bound Party; and

(e) any suit as to which any applicable statute of limitations would expire within 180 days of giving the Notice required by Section 14.3(a).

With the consent of all parties thereto, any of the above may be submitted to the alternative dispute resolution procedures set forth in Section 14.3.

14.3. Mandatory Procedures.

(a) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (collectively, the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

1. the nature of the Claim, including the Persons involved and Respondent's role in the Claim;
2. the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);
3. Claimant's proposed resolution or remedy; and
4. that Claimant's desire to meet with Respondent to discuss in good faith ways to resolve the Claim.

(b) Negotiation. The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation.

(c) Mediation. If the Parties do not resolve the Claim within 30 days of the date of the Notice (or within such other period as may be agreed upon by the Parties), Claimant shall have 30 additional days to submit the Claim to mediation under the auspices of Henning Mediation and Arbitration Services or, if the Parties otherwise agree, to an independent agency providing dispute resolution services in the Metro-Atlanta area. Each Bound Party shall present the mediator with a summary of the Claim prior to the mediation session.

If Claimant does not submit the Claim to mediation within such time, or does not appear for and participate in good faith in the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant.

Any settlement of the Claim through mediation shall be documented in writing by the mediator. If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation process, or within such time as determined by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date mediation was terminated ("Termination of Mediation"). Except as provided in Section 14.2(d), the Claimant shall then be entitled to file suit or initiate administrative proceedings on the Claim as appropriate.

Each Bound Party shall bear its own costs of mediation and each Party shall share equally all fees charged by the mediator.

(d) Final and Binding Arbitration. If the Parties do not agree in writing to a settlement of the Claim within 15 days of the Termination of Mediation, the Claimant shall have 15 additional days to submit the Claim to arbitration in accordance with the Official Code of Georgia Annotated, Section 9-9-1, *et seq.* If the Parties do not voluntarily agree on an arbitrator, Henning Mediation and Arbitration Services shall be the arbitrator. If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons other than Claimant.

This subsection (d) is an agreement to arbitrate and is specifically enforceable under the applicable arbitration laws of the State of Georgia. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of the State of Georgia.

Each Bound Party shall bear its own costs of mediation and each Party shall share equally all fees charged by the mediator.

14.4 Allocation of Costs of Resolving Claims. Subject to Section 14.4 (d), each Party shall bear its own costs, including any attorneys fees incurred, and each Party shall share

equally all charges rendered by the mediator(s) and all filing fees and costs of conducting the arbitration proceeding (“Post Mediation Costs”).

Any award which is equal to or more favorable to Claimant than Claimant’s Settlement Demand shall add Claimant’s Post Mediation Costs to the Award, such costs to be borne equally by all Respondents. Any Award which is equal to or less favorable to Claimant than any Respondent’s Settlement Offer shall award to such Respondent its Post Mediation Costs.

14.5 Enforcement of Resolution. After resolution of any Claim, if any party fails to abide by the terms of any agreement or Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in Section 14.3. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys’ fees and court costs.

Article XV

GENERAL PROVISIONS

15.1. Duration. Subject to the limitations of Georgia law, this Declaration shall have perpetual duration. If Georgia law hereafter limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall remain in effect for the maximum period permitted and shall automatically be extended at the expiration of such period for successive periods of 20 years each. Notwithstanding the above, if any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until 21 years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

15.2. Amendment. This Declaration may be amended as provided in this Section. Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

(a) By Declarant. So long as Declarant owns any property subject to, or which may be subjected to, this Declaration, it may unilaterally amend this Declaration to (i) bring any provision hereof into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (ii) enable any title insurance company to issue title insurance coverage; (iii) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans; or (iv) if such amendment is necessary to enable any governmental agency or

private insurance company to insure or guarantee Mortgage loans; provided, any such amendment shall not adversely affect the title to any Owner's Unit unless any such Unit Owner consents in writing. Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, any such amendment shall not materially adversely affect the substantive rights of any Owners hereunder, nor shall it adversely affect title to any Unit without the consent of the affected Unit's Owner.

(b) By the Owners. This Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of the Members representing at least two-thirds (2/3) of the votes in the Association and the consent of Declarant (so long as Declarant owns any of the property described in Exhibit "A" or "B").

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant (or the assignee of such right or privilege).

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

15.3. Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

15.4. Litigation. Except as provided below, no judicial, administrative, or arbitration proceeding shall be commenced or prosecuted by the Association unless approved by a vote of 75% of the Members. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article VIII; (c) proceedings involving challenges to *ad valorem* taxation; or (d) counter-claims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above. This Section shall apply in addition to the provisions of Article XIV, if applicable.

15.5. Cumulative Effect; Conflict. The provisions of this Declaration shall be cumulative with the provisions of any applicable Supplemental Declaration. Nothing in this Section shall preclude any Supplemental Declaration or other Recorded declaration, covenants, and restrictions applicable to any portion of the Community from containing additional restrictions or provisions which are more restrictive than the provisions of this Declaration, and the Association shall have the standing and authority to enforce the same.

15.6. Compliance. Every Owner and occupant of any Unit shall comply with the Governing Documents. Subject to the terms of Article XIV, failure to comply shall be grounds for an action by the Association or, in a proper case, by any aggrieved Unit Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 4.3.

15.7. Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to his or her Unit shall give the Board at least seven days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Unit, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

15.8. Exhibits. Exhibits "A" and "B" attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of Section 15.2. All other exhibits are attached for informational purposes and may be amended as provided therein or in the provisions of this Declaration which refer to such exhibits.

(f) Fences. Written approval must be obtained from the ARC prior to any placement, erection, or maintenance of any fence or fencing type barrier of any kind. Under no circumstances shall any fence be placed, erected, allowed, or maintained upon any Unit closer to the street than the rear one-third of the residence located on the Unit. Generally, wooden privacy fencing constructed of no more than six feet maximum height, dog-eared, unpainted wood will be approved by the Reviewer. Additional restrictions may apply to corner lots. OF
CANEY CREEK HOMEOWNERS' ASSOCIATION, INC.

Article I
Name, Principal Office, and Definitions

1.1. Name.

The name of the corporation is CANEY CREEK HOMEOWNERS' ASSOCIATION, INC. ("Association").

1.2. Principal Office.

The principal office of the Association shall be located in Forsyth County, Georgia. The Association may have such other offices, either within or outside the State of Georgia, as the Board of Directors may determine or as the affairs of the Association may require.

1.3. Definitions.

The words used in these By-Laws shall be given their normal, commonly understood definitions. Capitalized terms shall have the same meaning as set forth in the Declaration of Covenants, Conditions, and Restrictions for CANEY CREEK, Recorded in Forsyth County, Georgia, as it may be amended ("Declaration"), unless the context indicates otherwise.

Article II
Membership: Meetings, Quorum, Voting, Proxies

2.1. Membership.

The Association shall have one class of membership, as more fully set forth in the Declaration, the terms of which pertaining to membership are incorporated by this reference.

2.2. Place of Meetings.

Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board, either within the Community or as convenient as is possible and practical.

2.3. Annual Meetings.

The first meeting of the Association, whether a regular or special meeting, shall be held within one year from the closing of the first home or when 25% of homes in the Community have been sold, whichever is later, unless the Board determines that it is in the best interest of the Community to hold it earlier. Subsequent regular and annual meetings shall be set by the Board so as to occur during the third quarter of the Association's fiscal year on a date and at a time set by the Board.

2.4. Special Meetings.

The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting if so directed by resolution of the Board or upon a petition signed by Members representing at least 25% of the total votes in the Association.

2.5. Notice of Meetings.

Written or printed notice stating the place, day, and hour of any meeting of the Members shall be delivered, either personally or by mail, to each Member entitled to vote at such meeting, not less than 10 nor more than 50 days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting.

In the case of a special meeting or when otherwise required by statute or these By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a special meeting except as stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Member at its address as it appears on the records of the Association, with postage prepaid.

2.6. Waiver of Notice.

Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Members, either before or after such meeting. Attendance at a meeting by a Member or the Member's proxy shall be deemed waiver by such Member of notice of the time, date, and place thereof, unless such Member or proxy specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting also shall be deemed waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

2.7. Adjournment of Meetings.

If any meeting of the Association cannot be held because a quorum is not present, Members or their proxies holding a majority of the votes represented at such meeting may

adjourn the meeting to a time not less than 5 nor more than 30 days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business may be transacted which might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to Members in the manner prescribed for regular meetings.

The Members represented at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, provided that any action taken is approved by at least a majority of the votes required to constitute a quorum.

2.8. Voting.

The voting rights of the Members shall be as set forth in the Declaration and in these By-Laws, and such voting rights provisions are specifically incorporated by this reference.

2.9. Proxies.

At all meetings of Members, each Member in good standing may vote in person (if a corporation, partnership, or trust, through any officer, director, partner, or trustee duly authorized to act on behalf of the Member) or by proxy, subject to the limitations of Georgia law. All proxies shall be in writing specifying the Unit(s) for which it is given, signed by the Member or its duly authorized attorney-in-fact, dated and filed with the Association's Secretary or his or her designee prior to any meeting for which it is to be effective. Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast, and in the event of any conflict between two or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid. Every proxy shall be revocable and shall automatically cease upon conveyance of any Unit for which it was given, or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a Member who is a natural person, or of written revocation, or 11 months from the date of the proxy, unless a shorter period is specified in the proxy.

2.10. Majority.

As used in these By-Laws, the term "majority" shall mean those votes, Owners, Members, or other group, as the context may indicate, totaling more than 50% of the total eligible number.

2.11. Quorum.

Except as otherwise provided in these By-Laws or in the Declaration, the presence, in person or by proxy, of Members representing 25% of the total votes in the Association shall constitute a quorum at all meetings of the Association.

2.12. Conduct of Meetings.

The President or any designee the Board approves shall preside over all Association meetings. The Secretary shall keep the minutes of the meetings and record in a minute book all resolutions adopted and all other transactions occurring at such meetings.

2.13. Action Without a Meeting.

Any action required or permitted by law to be taken at a meeting of the Members may be taken without a meeting, without prior notice and without a vote, if written consent specifically authorizing the proposed action is signed by all Members entitled to vote thereon. Such consent shall be filed with the minutes of the Association, and shall have the same force and effect as a vote of the Members at a meeting. Within 10 days after receiving authorization for any action by written consent, the Secretary shall give written notice to all Members entitled to vote who did not give their written consent, fairly summarizing the material features of the authorized action.

Article III

Board of Directors: Selection, Meetings, Powers

A. Composition and Selection.

3.1. Governing Body; Composition.

The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one equal vote. Except with respect to directors appointed by Declarant, the directors shall be Members in good standing or residents; provided, no Owner and resident representing the same Unit may serve on the Board at the same time. In the case of a Member which is not a natural person, any officer, director, partner, employee, or trust officer of such Member shall be eligible to serve as a director unless otherwise specified by written notice to the Association signed by such Member; provided, no Member may have more than one such representative on the Board at a time, except in the case of directors appointed by Declarant.

3.2. Number of Directors.

The Board shall consist of three to five directors, as provided in Sections 3.3 and 3.5 below. The initial Board shall consist of three directors as identified in the Articles of Incorporation.

3.3. Directors Appointed by Declarant.

Declarant shall have the right to appoint or remove any Board member or members or any Association officer or officers until such time as the first of the following events shall occur:

- (a) seven years from the date the Declaration was Recorded;
- (b) the date on which 75% of Units permitted under the applicable zoning density for the Community as shown on the Recorded Plat are sold; or
- (c) the surrender by Declarant, in writing, of the authority to appoint and remove the Association's directors and officers.

3.4. Nomination and Election Procedures.

Elected directors shall be nominated from the floor and may also be nominated by a nominating committee, if such a committee is established by the Board. All candidates shall have a reasonable opportunity to communicate their qualification to the members and to solicit votes

3.5. Removal of Directors and Vacancies.

Any director elected by the Members may be removed, with or without cause, by Members holding a majority of the votes entitled to be cast for his or her election. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall be elected by the Members to fill the vacancy for the remainder of the term of such director.

Any director elected by the Members who has three or more consecutive unexcused absences from Board meetings, or who is more than 30 days delinquent in the payment of any assessment or other charge due the Association, may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and the Board may appoint a successor to fill the vacancy for the remainder of the term.

In the event of the death, disability, or resignation of a director elected by the Members, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Members shall elect a successor for the remainder of the term.

This Section shall not apply to directors appointed by Declarant nor to any director serving as a representative of Declarant. Declarant shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability, or resignation of a director appointed by or elected as a representative of Declarant.

B. Meetings.

3.6. Organizational Meetings.

The first meeting of the Board following each annual meeting of the membership shall be held within 10 days thereafter at such time and place as the Board shall fix.

3.7. Regular Meetings.

Regular meetings of the Board may be held at such time and place as a majority of the directors shall determine.

3.8. Special Meetings.

Special meetings of the Board of Directors shall be held when called by written notice signed by the President or Vice President or by any two directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered.

3.9. Notice; Waiver of Notice.

(a) Notice of the time and place of a regular meeting shall be communicated to directors not less than four calendar days prior to the meeting. Notice of the time and place of a special meeting shall be communicated to directors not less than 72 hours prior to the meeting. No notice need be given to any director who has signed a waiver of notice or a written consent to holding of the meeting. The notice shall be given to each director by: (i) personal delivery; (ii) first class mail, postage prepaid; (iii) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (iv) facsimile, computer, fiberoptics, or such other electric communication device. All such notices shall be given at the director's telephone number, fax number, electronic mail number, or sent to the director's address as shown on the records of the Association.

Notices sent by first class mail shall be deposited into a United States mailbox at least seven business days before the time set for the meeting. Notices given by personal delivery, telephone, or other device shall be delivered or transmitted at least 72 hours before the time set for the meeting.

(b) The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (i) a quorum is present, and (ii) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting.

Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.10. Telephonic Participation in Meetings.

Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of conference telephone or similar communications equipment, by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this subsection shall constitute presence in person at such meeting.

3.11. Quorum of Board of Directors.

At all meetings of the Board, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the directors present at such meeting may adjourn the meeting to a time not less than five nor more than 30 days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

3.12. Compensation.

Directors shall not receive any compensation from the Association for acting as such. Any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other directors. Nothing herein shall prohibit the Association from compensating a director, or any entity with which a director is affiliated, for services or supplies furnished to the Association in a capacity other than as a director pursuant to a contract or agreement with the Association, provided that such director's interest was made known to the Board prior to entering into such contract and such contract was approved by a majority of the Board of Directors, excluding the interested director.

3.13. Conduct of Meetings.

The President or any designee the Board approves by resolution shall preside over all Board meetings. The Secretary shall keep a minute book of Board meetings recording all Board resolutions and all transactions and proceedings occurring at such meetings.

3.14. Open Meetings.

Subject to the provisions of Section 3.16, all meetings of the Board shall be open to all Members, but Members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any Member may speak. Notwithstanding the above, the President may adjourn any meeting of the Board and reconvene in executive session, and may exclude Members, to discuss matters of a sensitive nature, such as pending or threatened litigation and personnel matters.

3.15. Action Without a Formal Meeting.

Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

3.16. Powers.

The Board of Directors shall have all of the powers and duties necessary for the administration of the Association's affairs and for performing all responsibilities and exercising all rights of the Association as set forth in the Governing Documents and as provided by law. The Board may do or cause to be done all acts and things as are not directed by the Governing Documents or Georgia law to be done and exercised exclusively by the membership generally.

3.17. Duties.

The duties of the Board shall include, without limitation:

- (a) adopting, in accordance with the Declaration, an annual budget establishing each Owner's share of the Common Expenses;
- (b) levying and collecting such assessments from the Owners;
- (c) providing for the operation, care, upkeep, and maintenance of the Area of Common Responsibility;
- (d) designating, hiring, and dismissing the personnel necessary to carry out the rights and responsibilities of the Association and where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;

(e) depositing all funds received on behalf of the Association in a bank depository which it shall approve, and using such funds to operate the Association; provided, any reserve fund may be deposited, in the directors' best business judgment, in depositories other than banks;

(f) making and amending use restrictions and rules in accordance with the Declaration;

(g) opening of bank accounts on behalf of the Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the Declaration and these By-Laws;

(i) enforcing by legal means the provisions of the Governing Documents and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association;

(j) obtaining and carrying property and liability insurance and fidelity bonds, as provided in the Declaration, paying the cost thereof, and filing and adjusting claims, as appropriate;

(k) paying the cost of all services rendered to the Association;

(l) keeping books with detailed accounts of the receipts and expenditures of the Association;

(m) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Community; and

(n) indemnifying a director, officer or committee member, or former director, officer or committee member of the Association to the extent such indemnity is required under Georgia law, the Articles of Incorporation, or the Declaration.

3.18. Right of Declarant to Disapprove Actions.

So long as Declarant has the right to appoint and remove officers and directors, if Declarant voluntarily terminates such right and the Members are entitled to elect directors to the Board, Declarant shall have a right to disapprove any action, policy, or program of the Association, the Board, and any committee which, in the sole judgment of the Declarant, would tend to impair rights of Declarant or builders under the Governing Documents, or interfere with development of or construction on any portion of the Community, or diminish the level of services being provided by the Association.

(a) Declarant shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board, or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, which notice complies as to the Board meetings with Sections 3.8, 3.9, 3.10, and 3.11 and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(b) Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein.

No action, policy, or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met.

Declarant, its representatives or agents shall make its concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee. Declarant, acting through any officer, director, agent, or authorized representative, may exercise its right to disapprove at any time within 10 days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within 10 days following receipt of written notice of the proposed action. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, the Board, or the Association. Declarant shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

3.19. Management.

The Board of Directors may employ for the Association a professional management agent or agents at such compensation as the Board may establish, to perform such duties and services as the Board shall authorize. Declarant, or an affiliate of Declarant, may be employed as managing agent or manager. The term of any management agreement shall not exceed one year and shall be subject to termination by either party without cause and without penalty upon not more than ninety days written notice.

The Board of Directors may delegate to one of its members the authority to act on behalf of the Board on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board.

3.20. Borrowing.

The Association shall have the power to borrow money for any legal purpose.

3.21. Enforcement.

In addition to such other rights as are specifically granted under the Declaration, the Board shall have the power to impose reasonable monetary fines, which shall constitute a lien upon the Unit of the violator, and to suspend an Owner's right to vote for violation of any duty imposed under the Governing Documents. In addition, the Board may suspend any services provided by the Association to an Owner or the Owner's Unit if the Owner is more than 30 days delinquent in paying any assessment or other charges owed to the Association. In the event that any occupant, tenant, employee, guest, or invitee of a Unit violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the occupant; provided, if the fine is not paid by the occupant within the time period set by the Board, the fine shall be assessed against the Unit and its Owner upon notice from the Association. The Board's failure to enforce any provision of the Governing Documents shall not be deemed a waiver of the right to do so thereafter.

(a) Notice. Prior to imposition of a fine (a late charge shall not constitute a fine) or suspending a service, the Board, or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than 10 days within which the alleged violator may present a written request for a hearing to the Board; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within 10 days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed; provided, the Board may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the 10-day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

(b) Hearing. If a hearing is requested within the allotted 10 day period, the hearing shall be held before the Board in executive session. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or its representative appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

(c) Additional Enforcement Rights. Notwithstanding anything to the contrary in this Article, the Board may elect to enforce any provision of the Governing Documents by self-help (specifically including, but not limited to, mowing lawns, removing weeds and towing vehicles). The Board may, following compliance with the dispute resolution procedures set forth in Article XIV of the Declaration, if applicable, file suit at law or in equity to enjoin any violation or to recover monetary damages or both, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred. Any entry onto a Unit for purposes of exercising this power of self-help shall not be deemed as trespass.

3.22. Board Standards.

While conducting the Association's business affairs, the members of the Board shall act as fiduciaries and are subject to insulation from liability as provided for directors of corporations by Georgia law and as otherwise provided by the Governing Documents. Directors shall exercise the ordinary and reasonable care of directors of a corporation subject to the business judgment rule.

A director shall act in accordance with the business judgment rule so long as the director:

(a) acts within the expressed or implied scope of the Governing Documents and his or her actions are not *ultra vires*;

(b) affirmatively undertakes to make decisions which are necessary for the Association's continued and successful operation and, when decisions are made, they are made on an informed basis;

(c) acts on a disinterested basis, promptly discloses any real or potential conflict of interests (pecuniary or other), and avoids participation in such decisions and actions; and

(d) acts in a non-fraudulent manner and without reckless indifference to the Association's affairs.

A director acting in accordance with the business judgment rule shall be protected from personal liability. Unless the Governing Documents require that specific action be taken, the failure to take such specific action shall not, without further showing that the Board acted in violation of the business judgment rule, be deemed a violation of a Board duty.

Board determinations of the meaning, scope, and application of Governing Document provisions shall be upheld and enforced so long as such determinations are reasonable. The Board shall exercise its power in a fair, non discriminatory manner and shall adhere to the procedures established in the Governing Documents.

Article IV
Officers

4.1. Officers.

The officers of the Association shall be a President, Vice President, Secretary, and Treasurer. The President and Secretary shall be elected from among the members of the Board; other officers may, but need not be members of the Board. The Board may appoint such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have such authority and perform such duties as the Board

prescribes. Any two or more offices may be held by the same person, except the offices of President and Secretary.

4.2. Election and Term of Office.

The Board shall elect the officers of the Association at the first meeting of the Board following each annual meeting of the Members, to serve until their successors are elected.

4.3. Removal and Vacancies.

The Board may remove any officer whenever in its judgment the best interests of the Association will be served, and may fill any vacancy in any office arising because of death, resignation, removal, or otherwise, for the unexpired portion of the term.

4.4. Powers and Duties.

The Association's officers shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as may specifically be conferred or imposed by the Board of Directors. The President shall be the Association's chief executive officer. The Treasurer shall have primary responsibility for the preparation of the budget as provided for in the Declaration and may delegate all or part of the preparation and notification duties to a finance committee, management agent, or both.

4.5. Resignation.

Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

4.6. Compensation.

Compensation of officers shall be subject to the same limitations as compensation of directors under Section 3.12.

Article V
Committees

5.1. General.

The Board may appoint such committees as it deems appropriate to perform such tasks and to serve for such periods as the Board may designate by resolution. Each committee shall operate in accordance with the terms of such resolution.

Article VI
Miscellaneous

6.1. Fiscal Year.

The fiscal year of the Association shall be the calendar year unless the Board establishes a different fiscal year by resolution.

6.2. Parliamentary Rules.

Except as may be modified by Board resolution, *Robert's Rules of Order* (current edition) shall govern the conduct of Association proceedings when not in conflict with Georgia law or the Governing Documents.

6.3. Conflicts.

If there are conflicts between the provisions of Georgia law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of Georgia law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

6.4. Books and Records.

(a) Inspection by Members and Mortgagees. The Board shall make available for inspection and copying by any holder, insurer, or guarantor of a first Mortgage on a Unit, any Member, or the duly appointed representative of any of the foregoing at any reasonable time and for a purpose reasonably related to his or her interest in a Unit: the Declaration, By-Laws, and Articles of Incorporation, any amendments to the foregoing, the Use Restrictions and Rules, the membership register, books of account, and the minutes of meetings of the Members, the Board, and committees. The Board shall provide for such inspection to take place at the office of the Association or at such other place within the Community as the Board shall designate.

(b) Rules for Inspection. The Board shall establish reasonable rules with respect to:

- (i) notice to be given to the custodian of the records;
- (ii) hours and days of the week when such an inspection may be made; and
- (iii) payment of the cost of reproducing copies of documents requested.

(c) Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical

properties owned or controlled by the Association. The right of inspection by a director includes the right to make a copy of relevant documents at the expense of the Association.

6.5. Notices.

Except as otherwise provided in the Declaration or these By-Laws, all notices, demands, bills, statements, and other communications under the Declaration or these By-Laws shall be in writing and shall be deemed to have been duly given if delivered personally or when sent by United States mail, first class postage prepaid:

(a) if to a Member, at the address which the Member has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Unit of such Member; or

(b) if to the Association, the Board of Directors, or the managing agent, at the principal office of the Association or the managing agent, or at such other address as shall be designated by notice in writing to the Members pursuant to this Section.

6.6. Amendment.

(a) By Declarant. So long as Declarant has the right to appoint and remove officers and directors, Declarant may unilaterally amend these By-Laws for any purpose. Thereafter, Declarant may amend these By-Laws if such amendment is specifically required to enable any governmental or institutional lender, purchaser, guarantor, or insurer of mortgage loans to make, purchase, insure, or guarantee mortgage loans on the Units; provided that any such amendment shall not adversely affect the title to any Unit unless the Owner shall consent thereto in writing.

(b) By Members. Except as provided above, these By-Laws may be amended only by the affirmative vote or written consent, or any combination thereof, of Members representing at least two-thirds of the total votes in the Association, and the consent of Declarant, so long as Declarant has the right to appoint and remove officers and directors. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) FHA/VA Approval of Amendments. The U.S. Department of Veterans Affairs (if it is guaranteeing Mortgages in the Community or has issued a project approval for the guaranteeing of such Mortgages) and/or the U.S. Department of Housing and Urban Development (if it is then insuring any Mortgage in the Community or has issued a project approval for the insuring of such Mortgages) shall have the right to veto amendments to these By-Laws for as long as Declarant has the right to appoint and remove the Association's directors and officers.

(d) Validity and Effective Date of Amendments. Amendments to these By-Laws shall become effective upon Recordation, unless a later effective date is specified therein. Any

procedural challenge to an amendment must be made within six months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of these By-Laws.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

If a Member consents to any amendment to the Declaration or these By-Laws, it will be conclusively presumed that such Member has the authority so to consent and no contrary provision in any Mortgage or contract between the Member and a third party will affect the validity of such amendment.

Exhibit E

Owners Consent to the Declaration of Protective Covenants for Caney Creek Subdivision

WHEREAS, D. R. Horton, Inc., a Delaware corporation (D. R. Horton, Inc.), has executed and is establishing that Declaration of Covenants, Conditions and Restrictions for Caney Creek subdivision, which shall be recorded in the Clerk of Superior Court of Forsyth County, Georgia land records; and

WHEREAS, the recitals to the Declaration provide that D. R. Horton, Inc. is the owner of the real property described on Exhibit A to the Declaration, which is made subject to the Declaration upon its recordation, or if Declarant is not the owner, the owner of such property has consented in writing to the Declaration; and

WHEREAS, MS Property Investments, Vaughn, LLC, a Georgia corporation (Developer), is the record owner and holder of title in fee simple to all or a portion of the real property described on Exhibit A to the Declaration and D. R. Horton has entered into a contractual obligation (Purchase Agreement) to purchase such property from Developer in accordance with a takedown schedule set forth in the Purchase Agreement; and

WHEREAS, Developer desires to consent to the Declaration and designation of D. R. Horton, Inc. as Declarant thereunder, provided that D. R. Horton, Inc. fulfills its contractual obligations and completes the takedown schedule as set forth in the Purchase Agreement.

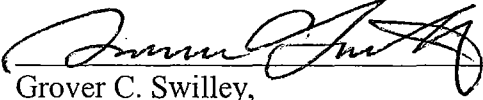

NOW THEREFORE, subject to the terms and conditions set forth below, Developer hereby consents, on behalf of itself and its successors, assigns and successors-in-title, to the submission of the real property described on Exhibit A of the Declaration, and declares that such property shall be owned, held, transferred, sold, conveyed, used, occupied, mortgaged or otherwise encumbered subject to all of the terms, provisions, covenants and restrictions contained in the Declaration, all of which shall run with the title to the Lot and shall be binding upon all persons having any right, title or interest in such property, their respective heirs, legal representatives, successors, successors-in-title, and assigns.

1. Developer confers upon and consents to D. R. Horton, Inc., assuming Declarant status under the Declaration so long as D. R. Horton, Inc. fulfills its contractual obligations and completes the takedown schedule as set forth in Purchase Agreement. In the event that D. R. Horton, Inc. breaches its contractual obligations, when such default is not cured after notice as provided in the Purchase Agreement, Declarant status shall automatically revert to and attach as an appurtenant interest of Developer.

2. In the event Declarant status reverts to Developer as provided above, Developer shall have the unilateral right to execute and record an instrument memorializing the transfer of Declarant status to Developer. By the recording of the Declaration, D. R. Horton, Inc. consents to the transfer and recordation of such instrument upon the terms and conditions described above.

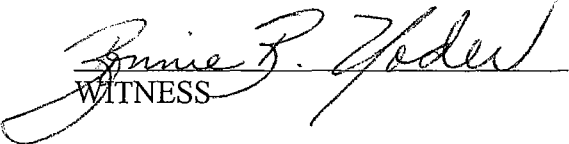

IN WITNESS WHEREOF, this Consent has been executed under seal this 19th day of November, 2002.
